Tim Miller and guests discuss the latest political news for the flagship podcast of the Never Trump movement and the reality-based community. Every weekday we provide insightful analysis, political hot-takes, an unabashed defense of liberal democracy and long-form interviews that cut through the "both-sides" BS. Plus a few laughs to help you wash down the crazy.

An ad-free edition is exclusively available for Bulwark+ members.

particularly because a former Brazilian model who moved in both Trump and Epstein circles is posting threats against the First Lady on social media. Tim and Jane break it all down. Plus, Melania does not speak or read English very well, Trump is furious about Tucker & co.'s opposition to the Iran war, Vance's motives for converting to Catholicism are disgusting and unchristian, and why would Iran permit Saudi-paid Jared to participate in the Islamabad peace talks? Jane Coaston joins Tim Miller for the weekend pod.
