Trump’s involvement with Epstein is simultaneously a “hoax,” but he was also a “perfect gentleman” when he spent hours with one of Epstein’s underage victims, Virginia Giuffre, at Epstein’s pad. And Trump was an FBI informant on Epstein’s sex trafficking, but again, it’s all a hoax. The White House and Fox’s defense is not working, and Trump may be in the worst political shape he’s been in since the aftermath of January 6. Meanwhile, the wealthy and powerful old men needing teenage girls raises huge questions about manhood and virility. Plus, the

The Bulwark Podcast

Audio Video

Tim Miller and guests discuss the latest political news for the flagship podcast of the Never Trump movement and the reality-based community. Every weekday we provide insightful analysis, political hot-takes, an unabashed defense of liberal democracy and long-form interviews that cut through the "both-sides" BS. Plus a few laughs to help you wash down the crazy.

An ad-free edition is exclusively available for Bulwark+ members.

shutdown fight was a stress test for how far the Dems were willing to go in the face of an authoritarian, and the party’s big tent strategy faces real headwinds.

Alex Wagner joins Tim Miller.

show notes

- Alex's new podcast, "Runaway Country"
- The Atlantic's piece, "The Limits of the Democrats’ Big Tent"
